Notification Reference N<sup>o</sup> (see table opposite e.g.4b) :

Brief description of work:

**Table** (Items that require Notification)

1. The erection of a building or other structure, not being a pond or swimming pool.
2. The extension or alteration of a water system on any premises other than a house.
3. A material change of use of any premises.
4. The installation of: -
  - (a) a bath having a capacity, as measured to the centre line of overflow, of more than 230 litres;
  - (b) a bidet with an ascending spray or flexible hose;
  - (c) a single shower unit (which may consist of one or more shower heads within a single unit), not being a drench shower installed for reasons of safety or health, connected directly or indirectly to a supply pipe which is of a type specified by the regulator;
  - (d) a pump or booster drawing more than 12 litres per minute, connected directly or indirectly to a supply pipe;
  - (e) a unit which incorporates reverse osmosis;
  - (f) a water treatment unit which produces a waste water discharge or which requires the use of water for regeneration or cleaning;
  - (g) a reduced pressure zone valve assembly or other mechanical device for protection against a fluid which is in fluid category 4 or 5;
  - (h) a garden watering system unless designed to be operated by hand; or
  - (i) any water system laid outside a building and either less than 750mm or more than 1350mm below ground level.
5. The construction of a pond or swimming pool with a capacity greater than 10,000 litres which is designed to be replenished by automatic means and is to be filled with water supplied by a water undertaker.

**Proposed plumbing installer** (if known):

Approved Plumber Scheme:
