APPROVED PLUMBERS' SCHEME

WATER REGULATIONS TRAINING OPTIONS

The following options for proving knowledge of Regulations are accepted by WIAPS

A. The following option is offered by WIAPS and some Water Suppliers.

This option is suitable for applicants who already have some knowledge of the Regulations or of the previous water supply byelaws. To confirm names of Water Suppliers who offer this route contact WIAPS. Tel 01495 248454.

This option gives training via a BPEC/WRAS self learn package. It comprises twelve manuals and a course video which you can purchase. You will work through each manual at your own pace and self assess your knowledge at the end of each. When you are ready, you take an assessment organised by WIAPS or your local water supplier and if successful you are awarded a BPEC/WRAS Certificate in Water Regulations.

The cost for the self learn package is £54.00 and should be purchased from BPEC Services Ltd on Tel 0845 6446558 Fax 0845 1211931

The day includes a brief overview of the Regulations and time to answer any questions you may have about the Regulations prior to the assessment. There is a charge of £70.00 + VAT for the assessment. This is to be paid prior to the assessment day.

The overview/assessment day lasts from 8.30am to 4.00 p.m.

B. The following option is offered at "Approved Water Regulations Colleges/Centres"

This option is an alternative to Option A for applicants who already have some knowledge of the Regulations or of the previous water supply byelaws.

This option also leads to a BPEC/WRAS, LOGIC/WRAS or NIC/WRAS assessment and if successful one of the appropriate certificates

C. City and Guilds Craft Certificate in Water Regulations for Building Services Personnel/Contractors.

This is a two day training course starting at 0900hrs on day one and finishing at 1630hrs on day two
