WRAS TEST & ACCEPTANCE CRITERIA

Issue No: 1

Date of issue: September 2009

Sheet 1 of 1

TEST CODE SHEET

1. TYPE OF TEST

Visual inspection

2. WATER REGULATIONS REQUIREMENTS FOR FITTINGS

Schedule 2

3 - (1) No person shall (a) install a water fitting to convey or receive water supplied by a water undertaker, or alter, disconnect or use such a water fitting; or (b) cause or permit such a water fitting to be installed, altered, disconnected or used, in contravention of the regulations.

NOTE It follows that any persons shall be able to identify any water fitting proposed to be used to ensure that both the fitting, and the manner of its installation, shall meet the requirements of the regulations.

3. BRITISH STANDARDS OR WATER SPECIFICATION, DEEMED TO SATISFY WATER REGULATIONS REQUIREMENTS

4. TEST PROCEDURE

4.1 Tests applicable to the following fittings:-

ALL FITTINGS

(A) **ALL FITTINGS**

TEST METHOD

Every fitting and appliance shall be examined to confirm that the model(s) submitted for testing are those identified as being representative of the product(s) listed in the application and to verify that the details provided in the schedule of materials are valid and accurate.

5. ACCEPTANCE CRITERIA

The model(s) submitted shall be those identified as representative of the product(s) for which approval is being sought.

The information provided in the schedule of materials must be valid and accurate.
